An addition of two hundred students to our population made this year an unforgettable year at G.H.S. Plumbers, Construction workers, more teachers and ambitious students greatly aided in the battle against confusion as we slowly climbed **UP THE DOWN STAIRCASE.**

School life might be defined as the social interaction of students and teachers living together for nine months of a year.

A more appropriate definition for G.H.S. school life would be the experiences and memories, the heart-breaks and good times, and the companionship and solitude which all of us have had in our trips **Up the Down Staircase.**

Our defending WIC championship team had another successful season this year. Although the team fell short of retaining the title, they played football as it should be played — with lots of hit and lots of desire.

After a 7-3 season, Coach Bob Bergman has compiled a 15-5 record in his two years at G.H.S. — quite a credit to coach Bergman. Replacing line coach Hal Sampson this year was coach Joe Fiedler, a former hard-hitting all ICC center at I.S.U. Coach Fiedler taught the line what football was all about and ended up with the hardest hitting line in the WIC.

The Tiger Cubs opened the season in great form with the pride of champions. Wiping out Dugger 33-0 and Linton 26-7, made the Big Blue look like the powerhouse of the conference.

Then came the Gerstmeyer game — “the game of the season” as writers put it. Gerstmeyer played a mentally unprepared Tiger team and came out ahead 26-0.

Gerstmeyer players commented after the game — “You guys hit harder than anybody.” A slight consolation after a bitter defeat.

In the first high school football game played on astro-turf, Greencastle defeated a good group of Garfield men in a 14-6 struggle.

The next game, challenging the Quakers of Plainfield, looked great in the first half. The cubs, not allowing Plainfield past the thirty yard line, led 9-0 at the half. In the second half, three unlucky breaks and mistakes led on to a 34-9 upset, Plainfield on top.

Greencastle's mighty defense (The Eleven Animals) really showed through in the West Vigo game, the cubs winning 14-6 in what was at that time the best played game.

Tallying twenty-eight points in the first quarter, the starters went to the side to watch the underclassmen get some experience in the remainder of the game against Cascade.

With three conference games left and a shot for the title, the Tigers were up for Sullivan. The Sullivan Golden Arrows were sorry they came to the field after the onslaught. Described by Coach Bergman as “the best overall game my boys have played in the last two years,” and by Coach Fiedler, “Boys, you punished them physically,” the Tigers found that it was a good night to win, 19-7.

A Brazil team capitalized on Tiger mistakes and enforced this with a strong defense to come out on top in a WIC second-place deciding game.

Finishing a successful season with a victory over Clinton 13-6, Greencastle found themselves third in the conference and proud to have had another successful campaign.

Frye displays his famous second effort.

The freshman team had the heretofore best season in Greencastle football history. Coached by Dick Crowley and Steve Paquin, the young tigers had an unblemished 6-0 record.

The season opened with a tight game against a tough Clinton squad. The cubs made a touchdown in the final quarter to win the battle 13-7.

The next game, against Danville, tested the tiger defensive unit. Scoring in the first period, the cubs had to fight to keep their win. However, it lacked as though the frosh too had their own eleven animals as they kept their lead and won 7-0.

At the end of the first half, the Cadets of Cascade led the mighty Cubs 7-6. But a snappy talk by coach Crowley and some pep in the squad spurred Greencastle on to a 19-7 victory.

Coach Crowley got to test his bench strength against Rockville. In a 41-6 victory, the Tigers' offense had a productive evening.

Varsity players, like Pete Norris, inspire performance from frash players

In a hard fought contest and an important game (both for record's and rivalry's sake) the Cubs played some hard-nosed football against the Red Devils from Brazil. In the final minutes it payed off, the scoreboard reading 21-20 in Greencastle's favor over a hapless bunch from Brazil.

With a perfect season riding on the game against the Quakers of Plainfield, the Tigers were spirited, and rolled over them 18-0.

Coach Dove McCracken not present.

Cross Country

Although hurt by graduation losses and injuries, Greencastle's Harriers in the 1967 season turned in a performance that most cross country teams would be proud of. After finishing the regular season with an eleven win and ten loss record, the two-milers captured a sixth in the Western Indiana Conference and then took eleventh place in the sectional. The team also managed a second place in the county meet.

Coach McCracken predicts that next year's team will be one of the best with five returning lettermen including one freshman, one sophomore, and three juniors.

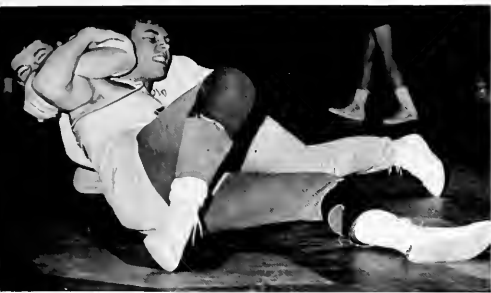

Lettermen in the 1967 season were: Seniors—Ron Cook, Don Irwin, Terry Ross, also managers David Albright and Jim Hendrich; Juniors—Sam Hecko, Don Dowty, and Pat Blose. Sophomore Rick Mount and Freshman Mike Gray also lettered.

Junior Sam Hecko and Sophomore Rick Mount start their second mile.

Having a disappointing season this year, the G.H.S. grapplers were proud of their two victories.

Inexperience and poor luck were the cause of many defeats.

However, the future looks bright with returning lettermen Tom Gorham (12-1), Marc Monnett (8-6), and Ted Brewer (7-7).

Ted Brewer was awarded outstanding wrestler of the season this year.

Ted puts the crossbody on Tom, but Tom keeps the leg.

Another WIC championship went down in G.H.S. sports history as the court generals of Greencastle captured the coveted crown this year with a 7-1 conference record. This is the second time G.H.S. has taken home the conference crown.

This year's varsity was composed of eleven seniors and one sophomore. The team featured balanced scoring and great teamwork. Although substantially smaller than most of their opponents the Cubs managed to out-hustle, out-shoot, and out-score fourteen of their rivals.

Picked by sports writers to lose over half of their games, the Cubs showed these experts that it's not the size that counts but the desire and teamwork which this year's team had.

One of the most exciting games of the season saw the G.H.S. courtmen come from behind to take a victory from arch rival Crawfordsville.

Another game saw the G.H.S. players out play the Germeyer Black Cats to come up with the victory that enabled them to capture the WIC.

Although the Cubs will lose eleven members of the varsity this year, next year looks promising with the members of the conference winning B-team moving in.

Not to be outdone by the varsity, the B-Team also captured a WIC crown with an unblemished 8-0 conference record.

Under the direction of Coach Gary Myers, who got one hundred percent performance out of his squad in every game, the reserve squad fell just one point short of an undefeated season.

Perhaps the most exciting game of the season for the B-Team was the Rockville Invitational Tournament. With only one minute of play remaining, the score found the Cubs trailing by six points. But the never-give-up attitude of the squad resulted in a 63-58 victory for the Cubs in an over-time.

With this outstanding display of their ability, next year's hopes for the WIC are high.

"Look at the big boys jump!"

Keeping with the freshman basketball tradition, the frosh had a very successful season this year.

Finishing the season with a 15-2 record, Coach Crawley got just what he expected out of his team.

One of the most exciting games of the season was the opener against arch-rival Crawfordsville. In a well played game, our boys proved themselves as a team,

in knocking off a good group of Crawfordsville players 37-36.

After seven well played games, the young G.H.S. sharpshooters found themselves the victor over foes, with an unblemished 7-0 record.

Losing only two games for the duration of the season, the basketball future of G.H.S. looks bright and successful.

Seniors **always** pay attention to the teacher.

English, Speech, and Journalism

New teachers, new classes, and more students have caused big changes in the English department this year. The biggest single change is a three-track system for all grades.

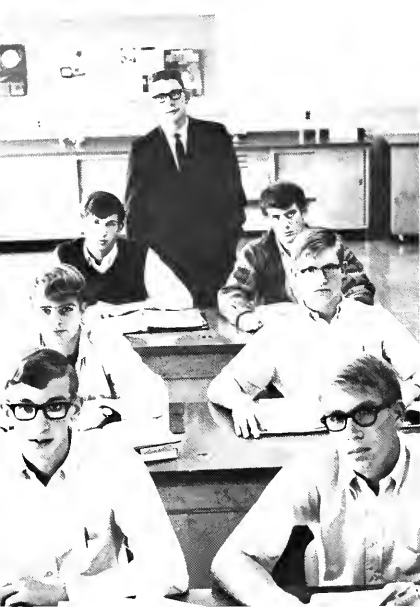

As freshmen, students study short stories by authors such as Mark Twain and read Shakespeare's **Romeo and Juliet**. Sophomores take a semester of speech and a semester of English during which they study English literature. American literature and linguistic grammar keep juniors busy. Seniors have their choice of taking Honors English, Grammar and Composition, or English Literature.

In addition to the beginning speech classes that sophomores take, an advanced speech class is being offered this year. Students in this class give pantomimes, self-evaluation speeches, and cuttings from **Spoon River Anthology**.

As well as editing the Ink Pot, journalism students practice writing different kinds of news stories and learn how to make yearbook layouts.

Mathematics

"Okay, put your nose right in that little circle."

G.H.S. is proud of the fact that it is meeting the ever increasing demands of science. G.H.S. offers two years of algebra and a year of plane geometry to form a basis of math for the individual.

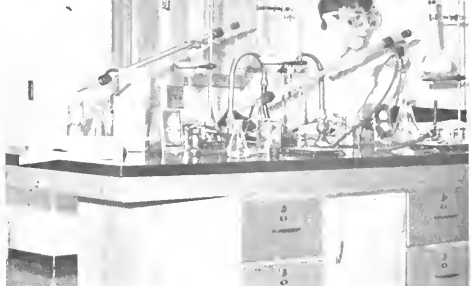

These classes are constructed so as to inspire the student to go on into the more technical and higher level courses also offered. These courses include advanced mathematics, trigonometry, and analytic geometry.

Social Studies and Foreign Languages

Students study hard in French class.

"Losing this card ruins my hand!"

Social Studies and languages deal with the study of people and places. In psychology class one learns the behavior of the individual.

U.S. and World History students learn of both current and past events of the world. In civics classes the students learn how our governments function.

The three languages offered at G.H.S. are French, Latin and Spanish. The students in a modern language class study a language with both written and spoken fluency in mind. This year a third year of French and Latin are being taught.

Second year art students may take a more advanced level of drawing and design, and an advanced art class is offered for third year students. All projects from all classes are exhibited in the annual art show in May.

Students who want to pursue a business vocation may prepare by taking general business, bookkeeping, Business English, and office practice for seniors. Typing and shorthand are two business courses offered for college bound students. Consumer Economics is a course designed for students who want to study the principles of buying and selling.

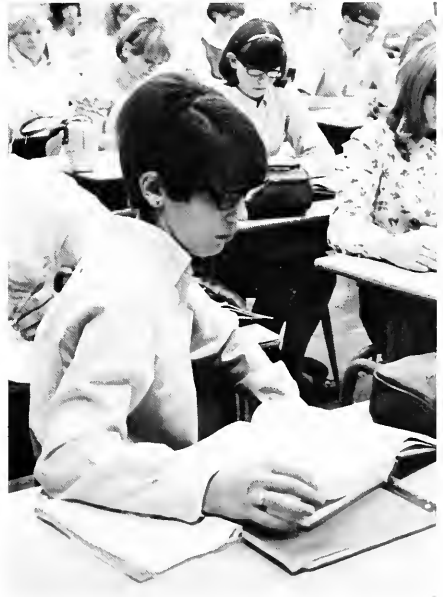

Musicians may audition for concert band and concert choir or take glee club and music appreciation without an audition. Any one who has an instrumental background or permission of the teacher may take music theory. There are seven members of the string orchestra who meet everyday as a class.

The old Drivers' Education room has been turned into a composition room and storage space for the print shop, and the wood shop has been enlarged to include a classroom.

For the first time a full year of auto mechanics is being offered. Students learn about air conditioning and power equipment.

New equipment includes a Heidelberg press, a camera, three running automobiles, two lathes, and sheet metal bending equipment.

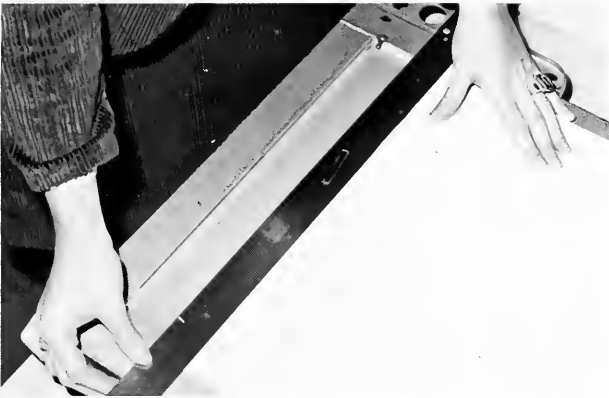

Miss Wetzel has joined Miss McClure to help teach three new sections of Freshman Home Economics. Another addition is a general course which includes family life for any senior who isn't majoring in Home Economics.

The Physical Education Department is primarily planning for extensive utilization of the new gymnasium and swimming pool next year.

Health and Safety classes under Mrs. Hanna and Mr. Bergman are offered this year to accommodate the freshmen.

Mr. Crawley is relieving Mr. Craig as Drivers' Education teacher one hour a day.

One of the largest clubs in our school and probably the most active is the Girls Athletic Association, sponsored by Mrs. Hazel Hanna.

One night each week the girls of G.A.A. can be seen bowling at Varsity Lanes and swimming at the Bowman gym pool.

Awards were given at the end of the year based on points accumulated. Points can be earned in a host of sports including bowling, swimming, volleyball, basketball, and softball.

Officers this year were: Andy Elliott, president; Janice Proctor, vice-president; Carol Smaltz, secretary; and

Lynn Jackson, treasurer.

Raising money for athletic awards and making rulings concerning the athletic award system were the tasks of the G-Club this year.

In order to raise the money for the awards, the club sponsored several dances.

This year's officers were: Dewayne Norris, President; Kirk Hammond, vice-president; and Kevin See secretary-treasurer. In addition to these officers, Clark Finkbner, Jim Knauer, Don, Irwin, and Chuck Evens were the council members, the ruling committee of the club.

The language clubs—French, Latin, and Spanish—provide opportunities for students to practice and hear in an informal atmosphere the language they are studying.

French club members presented skits in French and heard a guest speaker from DePauw.

The annual Roman circus and the Roman Banquet highlighted the year for the Latin Club.

Among other activities the Spanish Club attended a Kiwanis travelogue and went to the DePauw language lab.

This year the three clubs combined for a Christmas party. Carols, sung in the different languages, were part of the program. Each club supplied a portion of the entertainment. A skit was presented by the French Club; the Latin Club demonstrated Roman games; and pinatas were the Spanish Club's contribution.

Always backing G.H.S. athletic events, the Pep Club had much to be proud of this year.

Providing free bus rides to away games, selling booster ribbons and bumper stickers, awarding prizes

for Homecoming floats, and decorating the corridors for games and tournaments were just a few of their activities. The Pep Club is sponsored by John Franklin, and this year's officers were Micky Larmore, Tonya Harris and Cheryl Purdy.

The aims of the Science Club are to give interested science students aid on projects and a chance to hear lectures on various topics. Some of the guest lecturers were Dr. Henry, Dr. Burkett, and Dr. Ricketts from Depauw.

G.H.S. Marching Band

The Greencastle High School Marching Band proudly salutes — Ralph Taylor?

Don't smile—might crack your face

This year the Greencastle High School Band was pleased to have Mr. Robert Haas as its director. Under his capable leadership the band has had quite a busy and successful year. Not only has it marched at every football game with the majorettes and tigerettes braving the cold weather, but the band has also taken part in many other extra activities such as the Homecoming and Christmas parades and the annual band candy sale. Also, this year as a first, the band presented a Christmas

concert open to the public. The pep band, of course, was always on the scene sparking up school spirit by playing at basketball games and pep sessions.

The officers this year were: Steve Hanna, president; Nancy Mark, vice-president; and Micky Laramore, secretary-treasurer. The band council was composed of the officers and class representatives Charlie Farber, Sharon Hammond, Kathy Kiger, and Brenda Foxx.

"Who's the fifth girl in row twelve? ... Who comes after Hillis in the sophomores? ... What picture does copy "A" go with? ... Hey, we're out of layout sheets! ... When's the deadline? ... Tuesday! We'll never make it!"

But we always did meet the deadlines, and, after a satisfying struggle finished *Minaret* 1968. We, the staff hope you all made it **Up the Down Staircase**.

The Staff

Glen Davis, a member of the class of 1968, died October 1, 1966.

Fellow students recall Glen's good nature and easy-going sense of humor.

Glen's death was a loss to the class of 1968. He is sadly missed.
